FACILITIES: Dobson Arena is an indoor 85 x 200-foot ice surface with rounded corners and seating for spectators. A concession stand is open during the competition. Locker rooms are available.

MUSIC: Competitors must provide music for all events, as appropriate. Competition music for all events that require music must be submitted electronically via the online registration system by the music deadline of July 1, 2018 at 11:59 pm. After you have paid for your events, the system will prompt you to upload your music for each event that requires music. If your music is not available at that time, you can logout of your account and return later to upload your music by going to the “competition” tab and then selecting “my music”. Your music must meet the following criteria. If you have questions about what format you have, please contact your coach

and get a new version of your music that meets the criteria listed below. **Anyone not submitting music by July 1, 2018 will be assessed a \$25 admin fee that will be collected online or at the registration desk before the skater is allowed to skate.**

Payment of the fee will be required before the skater is allowed to participate in practice ice or events.

Music Criteria:

- 1) File Format: MP3 (the online system will automatically check this)
- 2) Bit Rate: 192 kbps or higher (this will be checked by the music chairperson and they may request you upload a corrected file)
- 3) Sample Rate: 44,100 kHz (this will be checked by the music chairperson and they may request you upload a corrected file)
- 4) Leaders and trailers (the silence or "dead space" before and after the actual start and end of the program music) may not exceed two (2) seconds. We prefer that there be NO leaders or trailers at all. Excessive leaders and trailers may disrupt the playing of the music during competition.

Competitors must also bring a copy of their competition music on CD as a backup in case of technical difficulties. Competitors must furnish their own music.

LIABILITY: Skaters, parents, and coaches should read US Figure Skating Rule 3222 regarding club, facility, and US Figure Skating liability. Your signature on the entry form or acceptance on the on-line waiver will indicate that you have read and accept this section.

JUDGING SYSTEM: The IJS system will be used for Pre-Preliminary through Senior Well-Balanced Free Skate and Short Program. The 6.0 system will be used for all other events. Skaters in IJS events are REQUIRED to submit a Planned Program Content. Preliminary through Senior should submit their PPC by June 28, 2018. The PPC must be entered through The SCV EntryEeze site (located at www.skateclubvail.com). The form can be found by clicking on the Planned Program Content link. Changes will be accepted until June 28, 2018. Pre-Preliminary Well Balanced Programs will be offered in both IJS & 6.0 judging systems.

PLANNED PROGRAM CONTENT: If you are registered for an IJS event, you are required to complete the planned program content form by Thursday, June 28 at 11:59pm in the online registration system. **Anyone not submitting a PPC by the deadline date will be assessed a \$25 admin fee that will be collected online or at the registration desk before the skater is allowed to skate.**

REGISTRATION: The official registration desk will be maintained at Dobson Arena. The desk will open one hour before the start of competition on Thursday, July 12th. On following days, the Registration Desk will be open one hour prior to the start of competition and will remain open during all competition events.

PRACTICE ICE: Practice ice will be available starting after the completion of the test session on Wednesday, July 11th, and should be requested and paid for during on-line entry. Skaters in the 2018 Vail Invitational will be able to pick their own practice ice sessions. Mountain Fun Funtastics Skaters will be assigned a practice ice session based on age and entry level. After the close of entries you will receive an e-mail with a PIN number in order to access your practice ice records and select your sessions. Practice ice fees are \$15.00 per session. Vail Invitational skaters may pre-purchase 2 sessions, Mountain Fun Funtastics skaters may purchase 1 session. Sessions are 30 minutes. Music will not be played during practice ice. Depending on entries, warm up ice will be available for IJS events only. Warm up ice will be assigned based on the number of IJS competitors at each level.

Additional ice, if available, will be sold on a first-come, first-serve basis after pre-registered skaters have chosen their sessions and during the competition. We will do everything we can to provide adequate ice, but, be aware that we have one ice surface and practice ice is limited to the evening before the competition and early morning and evening hours (as early as 6:00am, as late as 10:00pm) on competition dates. Practice ice for final rounds will be made available to competitors who qualify. Additional practice ice can be purchased whenever the registration desk is open or from the practice ice monitors. ARTISTIC

Artistic single events will be offered in two categories—Dramatic (a serious, emotional artistic interpretation) and Light (any performance not considered serious enough to be dramatic). Skaters may enter one or both of these categories. Costumes are encouraged but not mandatory, but they should not pose a safety hazard to the skater. Music may be vocal. Props will be allowed to be placed on the ice, and or picked up by the skater at any point in the program. Props that are on the ice need to be constructed strongly enough that there is not a safety issue. No debris can be left on the ice. A skater cannot use live props, fire, water, smoke, or explosives. A skater can only take 10 seconds to put the prop on the ice and the prop needs to be something the skater can bring on and off the ice without assistance. Props are not allowed during warm-up. Judging will be based on artistic expression, originality, creativity and musical interpretation that characterize the correct mood of the program. Program should focus on entertainment value rather than technical skill. Ladies and men will compete together. Depending on the number of entrants, levels and dramatic/light grouping maybe combined.

Maximum Skating Times: (Applies to Solo and Duets)

Solo: Events will be offered for the Pre-Preliminary through Senior and Adult Levels. Qualifications are the same as for Free Skate. Levels with the same skating times may be combined.

Pre-Preliminary - 1:30 seconds max.

Preliminary & Pre-Juvenile – 1:40 seconds max.

Juvenile, Intermediate & Novice – 2:10 seconds max.

Junior & Senior – 2:40 seconds max.

Adults – 1:40 seconds max.

Duets: No test requirements. Skaters may be of the same gender. When possible, skaters will be grouped by age and/or test level. Maximum skating times same as Solo event.

Skaters placing fourth and higher in preliminary and higher artistic solo events, including adult events will be qualified to enter the next National Showcase. Additional information on National Showcase is available on the USFS website.

COMPULSORY MOVES

Age and test requirements are the same as Free Skate. Compulsory moves will be skated without music. Required moves may be done in any order, without stops between elements. Additional or repeated elements will be penalized. Combination jumps may not have a change of foot or turn between jumps. An axel is a single jump. Required individual jumps cannot be repeated as part of the combination jump. When there are insufficient entries at a particular level, groups may be combined and male and female entrants judged together. Required elements may be skated in any order but must not exceed the maximum time restriction.

JUMPS ONLY

Age and test requirements are the same as those listed under Free Skate. Pre-Preliminary through Pre-Juvenile and Adult (Beginner thru Silver) will be skated on ½ ice. All other levels will skate on full ice. Jumps must be skated in the order in which they are listed, exactly as listed, however the order of jumps within the combination jump is optional (example double/single or single/double). This is not a mini-program. Only the stroking and edges necessary to prepare for the jumps are allowed. Extra moves and excessive connecting steps will be penalized. An axel is a single jump. Combination jumps may not have a change of foot or turn between the jumps. The event will be conducted as follows: At the conclusion of the warm-up, the skater will perform the first jump twice, then the second jump twice, then the combination jump twice. The judges will score only the best performance of each jump. This will then be repeated for all skaters. In levels where skaters have a choice of jumps, skaters may not change jumps on the second attempt. Genders and Levels with the same requirements will be combined if entries warrant. Jumps labeled with a "*" must be preceded with connecting steps.

Funtastics Series Point System

Free Skate and Compulsory Program Awards: During the competition season, skaters will have the chance to compete at 7 different Funtastics competitions and earn points for a final standing. Trophies and medals will be awarded at the conclusion of the Funtastics Series at the Spring Funtastics competition. A skater must enter BOTH Free Skating AND Compulsory events IN THE SAME LEVEL AND IN THE FUNTASTICS FORMAT in each of at least 3 of the 7 registered Funtastics competitions to be eligible for the Funtastics Series awards. Skaters must compete in a minimum of 3 competitions. The skaters best 4 competition scores (free skate and compulsory events added together from each Funtastics competition) of the season will be totaled for the final score in the Funtastics Series. Each event will have a maximum of six skaters. Both youth and adults, plus pre-preliminary and preliminary may accumulate points! The system for scoring points for the trophies and medals will be as follows:

1st place	6 points	2 points for moving up a level
2nd place	5 points	1 point for skater who chooses to skate alone
3rd place	4 points	
4th place	3 points	
5th place	2 points	
6th place	1 point	

A skater will earn 2 points toward their overall standing each time the skater enters a level that is higher than the level competed in at the previous competition throughout the duration of the Funtastics Series. In order to keep the extra points, the skater must compete in that level or higher in all subsequent competitions. The points for skaters moving up will be awarded each time the skater competes at a level higher than in their previous competition. 1 point will be awarded for the second through the final Funtastics competition (even though the event point scores may not be one of the final 3 best scores).

In the event that there is only one skater in an event, the skater will have the choice to skate alone OR move up a level to compete against other skaters, HOWEVER, THE SKATER WILL HAVE TO MOVE UP IN BOTH FREE SKATE AND COMPULSORY EVENTS. In this case, that skater will be allowed to move back to their original level to compete at the next competition and shall be awarded 1 point for attempting to compete at a higher level.

If an event has 2-6 skaters, the points will be awarded as if there were 6 skaters in the group. If there is only one skater in the group and they decide to remain at that level, that skater will be awarded 1 point.

In case of a tie, the total score for all Free Skate events during the season will be the 1st tie breaker, and the number of levels increased throughout the season will be the 2nd tie breaker.

All points follow the skater throughout the Funtastics Series. When skaters move up to higher levels, the points follow along with them. Once a skater moves up a level, they may not compete at a lower level unless they moved up as a result of having no other skaters in their group.

Trophies will be awarded for 1st place and medals will be awarded for 2-6 places in each level from Beginner 1 through Beginner 8 and Adult Beginner 1-Adult Beginner 3. The trophies and medals will be awarded to the skaters at their level as of the last competition in the Funtastics Series.
